# Character Counts Award Nomination

The School Safety Team would like to recognize students who regularly exhibit exemplary character. We invite your nomination of an individual who demonstrates the six pillars of character: caring, respect, responsibility, fairness, trustworthiness and citizenship. Use the space below to describe how your nominee demonstrates good character and why he/she should be recognized. You may use additional space, if necessary. If out of school activities are included in your nomination, please list the name of an adult (other than a parent) who can verify the information.

One male and one female student will be selected each marking period, and will be announced on the last day of the marking period.

Please return completed forms to Mrs. Cocuzza (mailbox or email: [ccocuzza@hpreg.org](mailto:ccocuzza@hpreg.org))
