ALL ABOUT VAPING

Vaping, E-cigs, and Addiction: Parents need to know
In 2018, more than 3.6 MILLION U.S. middle and high school students used e-cigarettes in the past 30 days.

Join us on MARCH 25TH at 7:00 pm to learn more about what these products are, why they are harmful, and how to protect our youth and young adults from this latest trend.
