### 12th Grade Scheduling Sheet

Students should select up to **8** elective options by numbering your choices from 1-8 with 1 being your top choice. Elective courses are listed in **bold**. The Guidance & Counseling Department encourages all students to carefully consider their options when selecting courses for the following year. Students and parents can familiarize themselves with course offerings by reviewing the list below. Detailed course descriptions are available in the Curriculum Bulletin on the high school’s web site. Every effort will be made to enroll students in their top choices, however placement in specific elective courses cannot be guaranteed. **Requests for changes to the proposed course selection must be made in writing to your counselor no later than February 7, 2020.**
